Sunny Hainan, Vacation Paradise

Hainan is located at 18°N and is China's only tropical island province, as well as China's most popular coastal tourist destination.

Hainan's sea territory is the largest of any Chinese province. Hainan has 35,400 km of land, around 2,000,000 m² of ocean territory, 1,823 km of continuous shoreline, 68 excellent bays, 81 peaks reaching 1,000 meters or more above sea level, more than 1,133 m² of national level forest parks, and over 70 natural hot springs.

Hainan is blessed with an abundance of natural resources, and has set up a system of five major tourism types in order to better serve the needs of travelers: Ocean Tourism, Health Resort Tourism, Cultural and Sports Tourism, MICE, Rural Tourism, Ecological Forest Tourism, Small Town Tourism, Shopping Tourism, Industry Tourism, and Specialized Tours, plus cuisine from all over the world.

Here, it's summer all year round, with plenty of sunshine, fresh air, and clean water, a real treat in the South China Sea, welcoming visitors from all over the world.
